Meet Bessie Coleman

Bessie Coleman applied to **flight** schools around the United States, but she was turned down again and again because she was a **Black** woman. She'd heard that women were trained as **pilots** in **France**, so she made a **plan**. She worked during the day and took French **classes** at night. Then she boarded a boat to Europe. There she learned to fly and perform **tricks**, like loop-the-loops in the air. One of her nicknames was **Brave**

Bessie. She encouraged women, Native Americans, and Black Americans to **dream** big and fight for their **goals**.

All of the **bold words** above can be found in the puzzle below. They can go up, down, forward, backward, and even diagonally.
