Making Alterations

Margarete Stieff was an expert tailor and builder of beloved stuffed animals. But things in her workshop can't seem to stay put! Circle 7 things that have changed.

**BE DETERMINED.
STAY REBEL!** Presented by **ATHLETA GIRL**

What Makes a Great Inventor?

Paige Brown is an inventor who cofounded the company WindBorne Systems. She creates weather balloons that track and predict extreme weather. Patricia Bath developed a device that made it possible to remove cataracts and restore people's eyesight. Angelina Arora got the idea for her eco-friendly plastic from shrimp shells! These women share personality traits that make them great inventors. The traits are listed below, but they've been jumbled! Rearrange the letters to uncover some things that make these inventors so incredible. And, if you get stumped, **check out the hint box.**

- ofcus _____ gintionaaaim _____ intyuiigen _____
- noisiv _____ ebravyr _____ bitanmio _____
