

Color, cut out, and hang the pennants in your room, on your door or in a window.
Stick them in a potted plant or in a jar on your desk.

BE the
CHANGE

Print and color the full-size pennants and attach to a sturdy stick or use tape to use as a wall decoration. You can use a stick you find in nature or a stick called a dowel rod from a craft store. You can also print them at a smaller size and attach to a popsicle stick or a straw.
