## Spot the Difference in Julia's Kitchen!

When Julia Child moved to France, she couldn't believe how delicious the food was. She decided to learn to make it herself. In the illustrations below, you can see some of the ingredients Julia used to make her dishes, and some symbols that represent certain events in her life. But the images have some key differences. Can you find seven things that have changed from the image on the left to the image on the right?

## Celia's Scramble!

Before Celia Cruz became a salsa star, she was a girl growing up in Havana, Cuba, singing to her brothers and sisters. She had to overcome several obstacles to launch her career, but she persevered and became known as the Queen of Salsa. Her upbeat music earned her many awards, including several Grammys, and her catchphrase "azúcar!" which means "sugar," was a hit with her fans. Below are some words about Celia and her accomplishments—but they're jumbled. Can you unscramble each word?
