

DESIGN YOUR OWN ALBUM COVER

COURAGE  **CONFIDENCE**
REBELGIRLS

Imagine yourself as a musician playing your heart out onstage like Joan Jett or Olivia Rodrigo. Your fans are so excited to see you perform. Every musician needs an awesome album cover to present their music to the world. In this activity, you'll design your own!

Draw your album cover in the square below!

If you need some inspiration, here are a few questions to get you started:

1. What kind of music would you perform? Are you a punk rocker or a pop star?
2. What instrument would you play? Have you already mastered the guitar? Have you always wanted to try the saxophone? Maybe you just want to sing?
3. What's your onstage look? Imagine yourself up in front of a cheering crowd! What are you wearing to make yourself feel confident and ready to perform?
4. What's your album called? This could be anything! If you had to describe yourself in a word or phrase, what would it be? What would you call your hit single? If all else fails, you can go for a self-titled album. If it's good enough for Beyoncé, it can work for you!
5. What do your favorite artists' album covers look like? Look up a favorite band or singer's album covers. Take inspiration from the best!
