

# CONFIDENCE CUBE

Lizzo's confidence helps her write hit songs, sing and dance onstage, and even play the flute. Create a cute cube Lizzo by following the directions below.

Use scissors to cut out the Confidence Cube along the solid lines, then fold along the dotted lines. Use a glue stick or tape to attach the glue tab (1) to the inside of the main panel (2). Fold down the smaller tabs (3), then fold down tabs of the top and bottom panels (4) and tuck them in to close the cube.
